

## USB Key Key – 2GB

PRODUCT ID: 3714

Are you a white hat or a black hat? When you need to become hacker antihero 'Ms. Robot' and take down crooked corporations by sneakin' into Wall Street backdoors after hours, this USB Key Key will be part of your arsenal.

Solid, durable and in always-classy Adafruit black, this token is a seriously good-lookin' zip drive which holds about 2 GB of memory. Slip it on your keychain or chain belt for a cool, discrete hacktivist outfit-of-the-day. Whatever warez you're packing, you'll want this key within reach!
